7. Do you have any comments?

Saturday mornings seems to be a little easier than evenings, but only when meetings don't conflict with other events. I could also meet Monday or Thursday evenings, and think my attendance will be about the same whether we meet Sat at 7AM, or on a weeknight at 7PM.

I'm open to any meeting time.

I'd be happy with any weeknight after work. Also, I'm happy to help with writing future surveys, since that's what I do professionally. :)

Saturday morning is fine with me. I just need to remember to set the clock before bed on Friday night.
