Google Chat Practice

Some discussion about training and how to move toward transition as a Unit.

Yoko will create a simple to read and understand document explaining how to set up and use Google for email and chat. The document will be supplied to all members with support offered, as needed.

Meeting Day and Time

There was discussion about the current meeting day and time as stated in the Unit Bylaws (which were amended to accommodate a change in day and time just recently).

It was concluded that more members need to provide input.

Yoko moved and Lou seconded that President Raylene establish a small committee to discuss this matter and to have the unit send a poll to its membership through Yahoo with a response expected by October 6, 2011. Motion carried.

President Raylene appointed Lou (chairman), and Yumi to write the poll and send to all members through Yahoo Groups.

The meeting was adjourned at 8:02 PM (PT)

Lou Thompson (Signature)
