1. Discussion of possible transfer of East Palo Alto Post 472 from District 26 to District 13.

If the Post transfers to District 13, as of The American Legion Department Executive Committee Meeting to be held on Thursday afternoon, June 21, 2007, the Executive Board will propose the following to the Unit membership at the Unit meeting on July 12, 2007:

- a. The officers will approach Otto J. Meichler Post 410, District 26 to request that it sponsors a Unit.
- b. If the Post agrees, the officers will initiate a conversation with National about opening a new Unit charter without the requirement of obtaining 10 new Senior members.
- c. The Unit will prepare Member Data Forms for each Unit member for the purposes of opening a new Unit.
- d. The officers will close the charter for East Palo Alto Unit 472, District 26.
- e. The officers will apply for a new charter for Otto J. Meichler Unit 410, District 26.

If necessary, this recommendation will be submitted in the form of a motion.

2. Discussion about circumventing procedures relating to obtaining new members in order to support the Department call for 200 new members to reach 100%. It was agreed to support Department's request, exhibit flexibility, and demonstrate the Unit's willingness to act as a strong example for other Units.
