Fellow Legionnaires, our Commander has returned from China with a Bride and is very excited about this. Our Commander has indicated that he plans to bring her to our up-coming meeting for us to meet and get to know her. Because of his new marriage he was too busy to write a commander comment so I thought that I would write a little and make up for not having a word from the commander. In ending I hope everyone will greet the Commander and his new wife with a warm and sincere welcome and congratulation . Adjutant McVeigh

**WE HAVE GREAT CONCERN ABOUT MIAS AND THE RETURN OF
OUR DEAD AS WELL AS THOSE VETERNS IN NEED OF OUR HELP
AND SERVICE**

Historian's Corner. If there were a prize for the Legion Post having met at the most places it seems likely that Post 472 would win. Our records are not by any means complete, but the records we do have show that we have met at more than twenty different places over the years. And we have no record at all of meeting places for our first 30 years. For many years it wasn't decided where the Post would meet until the Adjutant monthly letter made the announcement. On one occasion the Adjutant notified the members that there would be "no meeting next month because we couldn't find a place." On another occasion the Adjutant proudly announced that "have finally found a regular meeting place" - but that only lasted for a few months. The most popular place for monthly meetings before we moved into the Veterans Building for good was a various restaurants. In the early 1970's the most frequent choice was Sam's Steak House which was on Donohoe Street near where the Home Depot is today.

Our next meeting will be at the Restaurant and dinner will start at 7:PM. Come early and visit with friends.

Once again membership dues are due. If you have already paid your membership card will be in with this month's news letter. If you have paid by credit card show me your receipt and I will issue your membership card. If you have not sent in your dues or plan to pay on-line please do as soon as possible so we can work toward 100% membership.

P.S. If you know of a Veteran how would make a good A/L member let us know or invite him / her to our meeting on Thursday.
